## WE'RE BACK!

2020 was a tough year to say the least! Before COVID hit, we had our four plays lined up and ready to go. The first one for 2020 was to have been Oscar Wilde's classic *The importance of being earnest*. We were within two weeks of opening when COVID hit. Reluctantly the Management Committee decided to postpone our 2020 season.

Here it is 2021 and we are rearing to go again with four plays that will thrill our audiences. Our first play will once again be Oscar Wilde's classic, *The importance of being earnest* directed by Gary O'Neil opening at Christ church Yeronga on 19th March, for six performances. Our complete 2021 season is included in this issue.

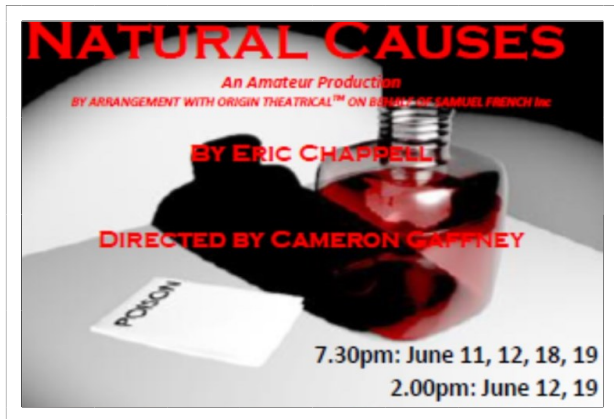

We are also encouraging patrons to become members of our society which will be \$20.00 for those who want to act or help elsewhere in our productions - backstage, publicity or front-of-house. Membership also entitles members to come along to our four General Members Meeting during the year.

Because of new impending building alterations to St Luke's church and our wanting an un-interrupted 2021 season, we are again performing at Christ Church hall Killarney Street corner Cork Street Yeronga.

Thank you dear patrons for your continued support and we look forward to seeing you at *The importance of being earnest*.
